The Grönholm Method premieres at the Falcon Theatre on August 17, with previews beginning August 7, as the first show of its 2012-2013 subscription season. The play takes you into the most unusual job interview ever witnessed – asking: how far would you go to get that dream job? Four corporate warriors come together in one room to compete for one senior management position using “The Grönholm Method,” a system meant to separate the weak from the strong. But the weak may not be as weak as they appear. A wicked comedy about the world of work, that feels like a thriller, it’s a fool’s game of betrayals, reversals and manipulations as the candidates struggle to excel at tasks both humorous and cruel.
